AWARDS

Cristal Tree Award - 2016 (Entrepreneur of the year)
NxtCampus was an educational platform that we developed in 2016 to address some of the problems we faced on the campus, which was elected to be the best entrepreneurship project of that year.

High Honor - 2016 (Spring Semester)
In the spring semester of 2016, I scored 3.92 out of 4.00, which is a high honor in METU.
